Moving Into the '80's

Advancement into 1980 brought many changes to the Crawford Colt campus.

One of the most noticeable was the transition from Eastern League to Western League in athletic competition.

In this new division, the Colts found the competition to be more comparable with their own abilities.

Autistic children and Special Education teachers came to Crawford for a Special Education Program that was funded by the Federal Government. With this program, autistic children had the opportunity to learn the basic skills that are essential to everyday living.

Class competition was brought back for the second year. This meant more fun, games, and spirit for the students of Crawford as they battled for points for their class. The class that totaled the most points at the end of the year received a special award from the A.S.B.

A definite change was noticed in the Crawford parking lot. This year, many Colts changed their means of transportation from driving regularly to car pooling, using the bus system, riding bicycles, and walking. This was due to the current energy situation, a problem that we will have to face as we progress into the '80's.

To conclude, nineteen eighty has been a year of change and development for every Colt. We look into the future decade with excitement and anticipation.

STUDENT LIFE

Dear Vickie, I so glad I got to know you this year. You're really cute and always very sweet to me. I hope I see you at parties this summer and you better always save a dance for me O.K.? Give me a call sometime (265-2161) and we'll go partying!!!

6. **Rudy Castellanos** gives J.V. football players the plan.

Registration was a trying time for all, faculty and students alike. Everyone, especially counselors, worked hard to make this year's registration a success. This year, a new system was used, self-scheduling. Students were given the chance to choose subjects and teachers for each class period. On the whole, the new system worked well for everyone, especially seniors, who got first choice.

Proposition 13 kept the football team from training until a week before school started. They made up for lost time by working harder than ever to get in shape for the coming season.

Hell week and registration marked the beginning of another busy school year. Of course, there was some depression at the thought of summer ending, but deep down, most of us were happy to come back to our friends and were enthusiastic about the coming school year.

Homecoming Brought Fun . . .

2

Dan [illegible]

"That's Entertainment" was the theme for Homecoming '79. The week of October 8 seemed very entertaining and fun. The pep squad sponsored horse racing, which brought out the kid in some. We found out who was in the Homecoming Court at the Donut Dunk'em, and also found which sex could get dressed faster in clothes of the opposite sex. Seniors showed their spirit to be sky high at the pyramid building. And Friday brought alumni, tears, laughter and excitement. At lunch there was a rally with past pep squads doing their cheers and students voting for the King and Queen. The night game, against *Serra*, found the Colts victorious.

Emotion . . .

All week long people planned, practiced and worked hard for the halftime show. The band and drill team produced a spectacular beginning. A parade followed with floats from each class, two trucks with past and present pep squad members and cars with the Homecoming Court. With the crowd on the edge of their seats, the King and Queen were crowned

Alumni in the stands and past pep squads on the field helped with the excitement of the game. The winning of this night game made the dance a real celebration. Crawford High provided classes to help students get ready for the future. Hard work combined with a bit of fun kept the day interesting. R.O.P. classes in Business and Management, assisted the participating students in their choosen career. Hidden Talents

In November, Dr. Dean put on a surprisingly funny show sponsored by the senior class. People crowded into the auditorium, many excited at participating in the hypnotic antics of the show, others just to watch. It really proved entertaining, with people laughing, singing, dancing, and (would you believe?) crying their way through the evening. During the course of the show, Dr. Dean unexpectedly hypnotized a few people in the audience which added to all the craziness.

To many students, lunch was the highlight of the day. It was a time for relaxing, talking, getting things done, and, of course, eating. Open campus was still in effect, but many students stayed on campus to make use of the cafeteria, student store, coke and fruit machines.

Many lunch periods were used for rallies, music in the Quad, activity periods, Homecoming week activities, and multi-cultural day. It was a time for buying dance and athletic tickets, bake sale goods, A.S.B. cards, Pacers and Centaurs.

Lunch was not always fun and games. Sometimes that precious half hour was spent cramming for a fifth or sixth period test or making up homework.

Most of all, lunch was a welcome break, enjoyed by all.

Rallies Added Spic

Twice a month the pep squad would have a very spirited rally. The squad along with *Susie Sides,* Commissioner of Rallies and Assemblies, would figure out what the rallies were to be about. At the beginning of the year there was a rally for Homecoming and one for Halloween. And throughout the year there were rallies honoring different sports, dress-up days and times of the year. The crowds seemed full of enthusiasm as they watched the Cheerleaders, Songleaders and Mascots do their routines. And when it came time for spirit sticks and skits, the crowd would become very involved. These rallies helped add fun and spirit to the school year.

Colt's Gave a "Splendorous"

What do you get when you cross a lot of talented young people, a script and a lot of hard work? "Splendor in the Grass" was what the Play Productions class came up with in December.

Few people realize what gigantic amounts of work go into the production of a play.

Besides casting and rehearsing, there are problems with the lighting and sound, sets and scenes, costumes and makeup.

After weeks of struggling with all those problems, Play Productions gave an excellent performance of "Splendor in the Grass", a welcome bit of entertainment before the Winter holidays.

A number of different clubs at Crawford helped to get everyone in the Holiday Spirit. The week was filled with various activities. It all started off with the Madrigals performing in the Winter Assembly. Mistletoe and Christmas cards, which are a main part of the holidays, were collected and sold by the Auroras and the Key Club. Other groups helped decorate the school by painting the student store and library windows. The week ended with the Holiday Rally which had a big turn-out. A dance, sponsored by the senior class, was also planned, but it was cancelled at the last minute because of a lack of interest. Working together, the different clubs helped prepare Colts for the new year.

In January, Joan Embry, the San Diego Zoo's Goodwill Ambassador presented Colts with an animal exhibition. She is a Crawford alumni of the class of 1967. The presentation featured a slide show of her work at the Wild Animal Park and the San Diego Zoo, and a Lecture on the preservation of wildlife. Competion Displayed Spirit

AND THE SENIORS TAKE THE LEAD IN CLASS COMPETITION

Kurt Kyle

This year the A.S.B. helped to bring spirit to Crawford High School. Getting the three classes to compete against other was how they did it. In each event the Seniors, Juniors and Sophomores who proved to be the fastest, toughest and most spirited would receive a point for their grade. At the end of the year, the class with the most points was the most spirited. This class got something special.

Class competition has brought spirit back to Crawford. Last year was only the beginning of something that should be around for years.

World To Crawford

A.F.S. is an organization to generate cultural awareness by sending students abroad, and hosting students from foreign countries. This year Crawford hosted *Sally Hancock* from England and *Vered Pollak* from Israel.

In the *Model U.N. Club,* students represent various countries, therefore learning their individual political ideals. At the end of the school year, they meet at S.D.S.U. for a "General Assembly" with Model U.N. members from all over San Diego County.

Soladitas Latina, the Latin Club, is known for its participation in the Homecoming Float Parade and its outstanding Roman Pastry sales. Thy participate in the Winter Saturnalia and Spring City Lingua-Fair annually.

To recognize superior achievements in the study of Spanish is the *Spanish Honor Society's* goal. Each December they have a drive to collect canned goods to benefit the underprivileged in a Tijuana orphanage.

German culture at Crawford is kept alive year after year by the *German Club.* One of their traditions is to attend the annual October fest.

During those heat waves, the *Surfing* club and the *Water Ski* club were real cooled off, although when there was snow in the mountains the *Ski* club took their turn on the slopes. The surfers met at the beach three times a week to ride those waves; the skiers went on trips to the mountains to improve their skiing skills; the water skiers spend time on skis too, but on the water. Seasons were really important to these clubs.

La Crosse is one of the fastest sports today. La Crosse is very similar to soccer and hockey. The La Crosse club had competition games to gain skill.

The *Lettercarriers* participated at all the football games marching with the band.

Sewing and homemaking are what the girls in **H.E.R.O.** enjoyed doing. They sewed all their ideas together.

"You've been backgammoned" is what the kids in the **Backgammon** club loved saying. These students promoted fair play and the skills needed to win in the game of backgammon.

"Share Togetherness" was the motto of the 1979-80 **Key Club**. The **Key Club** was a service organization and an integral part of Crawford's active student body. Some of the objects of the Key Club were to develop leadership and initiative and to provide experience in living and working together. To raise money for the International Key Club Convention, the Key Clubbers sold concessions at school dances and sponsored a road rally.

The **Auroras**, named after Aurora — Goddess of the Dawn, is an honorary service organization for senior girls. Their motto is "Ad successum viam adaperimus" (toward success we seek to open the way) and the members "seek to serve, anticipating our assigned duties as Aurora proceeded the sun." As is traditional, the Auroras was a very active club on campus, their service to the school and community was varied and continuous. Besides helping out at various school functions, they also sponsored such fun activities as the Donut Dunkem, the Christmas card and mistletoe sale, the valentine and carnation sale, a senior citizen party, and an appreciation breakfast for the support of workers on campus. They also helped at all graduation activities during their junior year.

The Junior Varsity Cheerleaders worked hard before their sophomore year at Crawford to make-up routines for all their up-coming games. The J.V. Cheerleaders also participated in all the rallies to show their spirit.

The flag corps worked very hard every morning at 7:30 to practice for the varsity football games. Some of the girls just learned how to march and twirl flags. They participated in the Mother Goose Parade and the Old Town Christmas Parade. They raised money for their uniforms with stationery sales. Crawford High School has one of the largest flag corps in our district.

The **Math Team** consisted of several students who were willing to get up extra early and get to school by 7:25 a.m. to take math tests which were given statewide. These tests, called the *California Mathematics League Exams,* were given monthly. High individual and cumulative scores made for an excellent Math Team.

Crawford's **Speech Team,** the most consistently winning team on campus, has just completed another year of tournament after tournament, returning from each with armfuls of trophies. The members have proved to be pros at the city competitions, including problem solving discussions, forensics, oral interpretation and student congress.

About every three weeks, one could find a newspaper floating around campus entitled *The Crawford Pacer.* This school newspaper, published by none other than Crawford's **Pacer Staff**, informed the student body of not only things going on around school but of things going on elsewhere. Information on employment opportunities, drama productions, sports events, and features like editorials and movie ratings were only some of the results of the hard work that was put into the **Pacer.**

Talent, determination, and dedication were just some of the qualities possessed by the members of Crawford's **Drama Club.** The product of their hard work was such entertaining plays as *"Splendor in the Grass"* and *"Stardust."* This club not only worked hard year 'round so they could entertain the public but also they worked to promote better learning and understanding of the dramatic arts.

Year's Effort on the 1980 Yearbook

Capturing and preserving the memories that will long be remembered and cherished at Crawford High is the responsibility of the Centaur staff. Under the direction of Mr. Jay Brewer, Centaur Advisor, and Trisanne Rosenberg, Editor in Chief, the annual staff kept up the hectic pace necessary to make the 1980 Centaur one of Crawford's finest yearbooks.

Drawing layouts, taking and retaking pictures, writing and fitting copy, and rushing to meet deadlines were familiar efforts of the staff members. During the year there were moments of frustration, anxiety, and excitement, but all can take pride in a job well done when the 1980 Centaur is distributed in June.

The **Lettermen's Club** was a group of guys devoted to assisting and serving the Boys' Athletic Department in the promotion and the development of all boys' athletics.

Our G.A.N.G. was a "gang" of senior girls who earned the highest number of points at the end of their junior year by participating in interscholastic sports. Through organized activities, the members strove to further girls' athletics at Crawford, and to better the position of girls' sports.

The **Willy Club**, sponsored by Mr. Fairley, was a service club for school functions and the A.S.B. It's goal was to "encourage interest in student government, democratic ideals, and interpersonal relations."

The **Rally Squad** was a group of spirited girls who cheered at football and basketball games and painted signs for the sports. Throughout the year, they continually supported all the athletic events by promoting spirit for teams.

Colts Pounded Competitors

Neither players nor coaches really knew what to expect at the opening of this year's football season. The Colts had been moved to Western League. Crawford at the end of the year, had an impressive record of 4 wins & 3 losses. The players truly extended their abilities. Q.B. **Jeff Risley** completed 80 passes for 1171 yards. **Kenny Allen** hooked 28 of these passes, gained 456 yards and made 9 touchdowns. **Jason Anderson** led in rushing. And **Marvin Titius** punted 16 times for 514 yards.

Behind every great team is a great coaching staff, ours is no exception. For without the dedication they all supply, such accomplishments could not be attained.

Tough Season for J.V.

The Western League was very tough this year for the team. The team faced really rough competition and the outcome was not so good. The team ended up with a league record of 2 wins, 5 losses. The team's league record, however, didn't reflect the capabilities of the team.

The team workouts were hard, lasting until five or six at night.

Every day at practice the team went over the plays, preparing for the games.

The team made a comeback at the end of the season with wins over Mission Bay and Hoover. Also this year the turnouts for the games were good. The bleachers were always full of enthusiastic students who showed loyal support for the team.

X-Country Second in League

Even though it was a new league and a longer and much harder course the Cross Country team still had a very good season. This year the team had both morning and evening workouts. This is one of the reasons why the team did so well. **Debbie Ekhaml** led the girls' team to a league record of 5 wins, 1 loss. **Kirk Stanfield** led the Varsity team to a league record of 5 wins, 1 loss. Leading the J.V. team to an undefeated season was **Jim Real.** Both the girls' team and the boys' team took second in the league. The team went to the C.I.F. finals. The girls' team took third place and the boys' team took fourth place. Next years team should be very good.

Set for the Net

Like other sports, this year's volleyball team lacked experience. The varsity squad consisted of one returning player **Peggy Humphries**, who mid-way through the year left the team, a few J.V. players from the previous year, and some new-comers.

Although the inspiration was there the skill was not. **Sue Farmer** had the skill and was voted most valuable player. Unfortunately it has to be a team effort.

However, they'll be more know how next year because the J.V. this year proved to be top league contenders. With all the experience they gained this season, next year should surely prove to be a bit more profitable.

Order on the Court

The girls' tennis team finished the season tying with Mission Bay for third place. Their record was 9 wins & 4 losses.

As a whole the team didn't make it to CIF. Individually however, the girls fared quite well. **Deanne Loonin** & **Jay Chapin** contended in singles, finally to be put out by Bishop's #1 seed. At doubles **Katy McDonald** & **Shellie Rucker** and **Aranka Fischer** & **Mary Silva** were also shut out, but by La Jolla contenders.

Although La Jolla & Bishops gave the team rough competition, overall our girls did well in Western League, and should be proud. **Coach Lozier** always manages to perfect a polished team.

Coach Draz and the Water Polo Team had another fantastic season. This season both the Varsity Team and the J.V. team had an undefeated league record of 11 wins, 0 losses. Eight of the past eleven years both the Varsity Team and the J.V. team have been undefeated in league play.

The teams practiced hard, sometimes having both morning and evening workouts. The long hours of practice paid off. In C.I.F. quarterfinals, they beat Hilltop 16 to 8. In the semifinals they won 16 to 11 over Vista. They played Valhalla for the C.I.F. Championship. It was a very close game with the outcome decided in the final seconds. Crawford lost 13 to 12.

Stroke, Stroke, Stroke!

With the change to Western League, the swim team remained competitive on both Varsity and J.V. levels. Their individual and relay times improved over last year due to stiffer competition and tougher workouts.

The Varsity squad finished with a 2 win, 3 loss standing. J.V. had a very strong team this year, closing with a 3 win 2 loss record.

Many individual as well as group achievements were accomplished this season. The girls' medley relay team, consisting of **Christy Crawford** — backstroke, **Meryl Loonin** — breaststroke, **Barbara Hall** — butterfly, and **Jenny Everett,** qualified for C.I.F. finals. **Christy Crawford** qualified for C.I.F. in the 100 yd. freestyle, and the 200 yd. individual medley. **Barbara Hall** competed in the 100 yd. butterfly and 200 yd. freestyle at C.I.F. **Missie Goldstein, Tina Dambrose, Jenny Everett,** and **Lisa Rabin,** also represented us at C.I.F. in the 400 yd. free relay.

This year was their largest representation ever at C.I.F. Most likely they'll be looking forward to an even stronger squad next season.

Badminton Swung Into Action

This year was the first year for coed badminton. In the past there have been girls' badminton teams, but for the last couple of years Crawford has not had a team. Therefore, this year was the first year for any kind of badminton team here at Crawford for some time. This year's team had very little experience compared with those of other schools. The team had to share the gym with the volleyball team which made things difficult. Because of this problem, the team often had morning workouts.

Cindy Breise, Quynh Nguyen, Troy Hill, and **Neil Zinke** are the members of the team that had an exceptional season. All four of these team members went to the badminton playoffs.

The team ended up with a league record of 5 wins, 7 losses. A few of the matches were lost by only one or two points.

As the interest in this sport grows, Crawford can look forward to having a much larger, well experienced team. All in all this year's team did very well considering all the problems they faced during the season.

1. **Sal Hancock** prepares to hit the birdie.
2. **Diane Hale** returns a serve.
3. **Susie Sides** uses her backhand to return the birdie for another point.
4. In a match against La Jolla **Cheryl Hyvonen** stretches to return the birdie.
5. **Eric Herttua** returns the birdie, while **Shane Keller** backs him up.
6. First Row, Left to Right: **Kim Barriga, Susie Sides, Carmen Estolano, Quynh Nguyen,** and **Kathy Palma.** Second Row: **Eslene Witte, Cheryl Hyvonen, Sal Hancock, Cindy Breise, Josie Nguyen, Trisanne Rosenberg.** Back Row: **Gregg Rovenger, Shane Keller, Ali Moshirifaro, Richard Withrow, Neil Zinke, Eric Herttua, Troy Hill** and **Coach Tooze.**

Soccer Put Best Foot Forward

This year's turnout for soccer was very good. A large number of students went out for the team. **Coach McAnear, Coach Malcolm,** and **Mr. Gyetvai** had plenty of players to pick from. Their choices proved to be excellent. The highlight of the season for the varsity team was the win over number-one-ranked Henry. This is only the second time in Crawford's history that they have beaten Henry. Both the coaches and members of the team should be very proud of themselves.

The J.V. team coached by **Mr. Malcolm** and with the help of **Mr. Gyetvai,** had a very good season. Many of the games were tied, but a tie is much better than a loss.

The early part of the season was hampered by many rainy days. Because of this, both teams had to work twice as long and hard during practice.

During the season the teams often put their best foot forward and beat their oponents. With the high spirits of the team members, the outstanding coaching, and the experience of this year, next year's teams should do very well again.

1. Varsity, Left. to Right., First Row: **Chap, Fuentes, Quinlivan, Mohajer, Hagen,** and **Dinh.** Second Row: **Bolivar, Alfonso, Mashhadi, Pimentel, Shadroo.** Back Row: Coach **McAnear, Lyon, Moshirifaro, Abushaaban, Isensee,** and **Kulischak.**

Field Hockey Bullied by Weather

This year's Field Hockey team improved a lot. In the past years the team has been small. This year the team added a few good new athletes, but was still small. During the season they often faced very rough, experienced competition. The team started out slow, but as they advanced in the season, they improved considerably.

This year's team had no extras and were not that experienced compared with the other schools in competition.

Many times J.V. players were moved up to Varsity in order to fill in when a Varsity player was unable to play. This didn't happen as much this year as in previous years. These problems, plus rough weather which made the fields muddy, made things difficult for the team.

Each day the team improved with workouts, practicing sixth period and after school. Each day at practice, they scrimmaged against each other, practicing their drives, bullies, and scoring abilities. Everyone drove well and bullied hard. The outlook for next year is very bright.

1. J.V.: Left to Right: **Kim Blenenberg, Pam Landers, Cheryl Hyvonen, Vi Huynh, Diane Hale,** and **Sherie Johnson.** Back Row: **Josie Nguyen, Sharon Cobb, Mary Hauser, Meryl Loonin, Pam Hom, Susan Durgin,** and **Coach Allen.**

Mat Men Pinned Down Trouble

The Crawford Wrestling teams, headed by **Coach Bill Hall** and **Assistant Eddie Castro,** mid-way through the season had set the pace with a record of 5 wins and 0 losses. Such accomplishments can only be the result of a team effort.

Noteable records were held by: **Willy Delany, George Perez,** and **Rick Castro. Delany** led with 7 takedowns, and 6 2 point near falls. **George Perez** held the pin record of 5 and a pin time of 35 seconds. **Rick Castro,** close behind, also had 5 pins, his time 38 seconds. All three led team points with 30 each.

Midway through the season, the Colt's appeared to be on top of things. The J.V. team also assumed a record of 5 wins, 0 losses. Returning varsity next year will consist of: **Doug Peabody, Kevin Szolga, Mike McGill, Rick Martinez,** and **Willy Delaney.** These men with J.V., will produce strong contenders for next year.

From standings such as these, it is evident the Colt's will carry on the winning tradition, not only this season, but in the seasons ahead as well.

1. **Drake Ecoffier** and opponent seem to be a bit tangled.
2. Coaches view the matches.
3. **Mike McGill** attempts to pin competition.

When It Rains It Poured

Heavy rains and left over puddles kept our girls' softball team off the field at the onset of the season. Games as well as practices were cancelled due to the dampness. Fortunately this was true for all other teams in the league, making practice time equal for everyone. Because of game postponement, the team played more than the two weekly scheduled games once the season was under way. When the sun came out, dampened spirits were forgotten, and an optimistic attitude sprang up. What was left of the fun practices now had to be converted to tough workouts to make-up for the lost time. The girls really showed effort, knowing that without tremendous amounts of enthusiasm and strenuous workouts a potentially successful season was not possible.

Returning players from last year such as **Sue Farmer, Kathy Sneed,** and **Missy Goldstein,** held spirits high and helped to lead their team to a successful and memorable season. Maybe next year the weather will favor us.

Shooting Stars

The Colts' Cagers battled their way to the top of Western League, winning the title of Co-champs along with Lincoln. Such an outcome was not expected after a hand injury to team co-captain *Jaffa Solomon* at mid-season. This, however, did not shatter the team's hopes for a league title. Working hard the team members truly excelled themselves to compensate for the loss of a key player, proving their ability.

At the time of this writing, the Colts had excitingly gone on to beat San Pasqual in C.I.F. semi-finals. Also hopes were held that possibly *Jaffa Solomon* would be able to resume play the following week in the second round of C.I.F. semis against Sweetwater.

Crawford will lose most of their players, such as, *Kenny Scheib, Colin Beecroft, Tim Lowery,* and *Jaffa Solomon.* Fortunately with juniors *Eric Sams,* and *Pat Marquardt,* each carrying such outstanding records, and upcoming promise from the J.V. team contention for a league title is probable.

1. Up for a tip, center **Jaffa Solomon** gains two points against the Chiefs.
2. Varsity Basketball team: Left to Right: **John Prange; Derrick Fair; Jeff Risley; Larry Clark; Tim Lowery; Kenny Scheib; Patrick Marquardt; Co-captain Eric Sams;** and **Colin Beecroft.** Not Shown: **Co-captain Jaffa Solomon, Mark Marney, John Hickey,** and **Mike Stevens.**

Hot Shots

This year the team received a new coach, *Coach Wayman.* Under his coaching, the team had a fine season. The team had four returning members, *Jason Anderson, Jim Davis, Marcus Gerstler,* and *Peter Griffin,* all of whom led the team throughout the season. Besides these four members, the team consisted of very talented sophomores and juniors. With the four returning players and talented sophomores and juniors, it is no wonder they did so well.

The team this year had thirteen players. At practice each day, they worked individually and as a team. Practice usually started at four and lasted a couple of hours. Practice consisted of running, suicides, offensive, defensive drills and plays. All of these skills helped build a very strong team.

As the team played non-league, league, and tournament games, their confidence and determination grew. With the foundation of the team built this year, next year's team should have another fine year.

Basketball: Left to Right; First Row: **Jason Anderson; Gregg Temkin;** and **Lance Clark.** Back Row: **Jim Davis; Anthony McDuffie; Peter Griffin;** and **Richard Davis.** Not Shown: **Danny Bleu; Howard Eubanks; Milo Gaston; Marcus Gerstler; Chris Groff; Mark Walters;** and **Coach Wayman.**

Racketeers Net Victory

The growing popularity of Tennis brought many new faces as well as the old masters to the courts. Headed by *Coach Jim Sams,* the Crawford Tennis Team approached the season with wide-eyed ambition. Spirits were only dampened when the usual seasonal showers left the courts puddled, which postponed practices and matches.

Because of the overlapping sports, such as Girls' Basketball, and the tail end of Boys' Basketball, Coach Sams had a difficult time in the beginning arranging equal practice time for all his teams. However, once underway, there was no stopping the Colts netmen. Practices were tough but well worth the satisfaction derived from the.

At the singles seats were returning Lettermen *Dave Bushnell, Tony Hoang, Groff* and *Marvin Titus.* Doubles positions were filled by teams *Chris* and *Blair Kerley,* as well as *Jack Carter* and *Minh Nguyen.*

Together the men had a smash of a season. Next year should prove to be just as profitable.

Colts to a Tee

The Golf season opened with muddy fairways and puddled greens. Matches and practices were often cancelled, disappointing many members of the team. No one could really be sure when a routine schedule would begin. Returning players held up the dwindling enthusiasm of their new teammates, remembering the same problems from the previous season. Sure enough, a few weeks later the San Diego sun began to shine, which brought sure relief to the golfers.

Returning players such as *Fernando Bolivar, Todd McCully, Peter Griffin* and *Jaime Bradley,* (the only female member of the team), were happily able to set examples for the new team members.

Under the direction of *Coach Bill Hall,* the golfers showed tremendous technique and skill during league contention.

Eventually overcoming the handicap of the rain, the team managed to tee off for a strong drive towards the Western League title and possibly even a berth in C.I.F. competition.

1. Nothing can bring a bigger smile to **John Kennedy's** face than a perfect hole in one.
2. **Scott Whittmayer** adds a rather professional look to the Colts' team style, while lining up his next shot.
3 Stuck in the rough, **Fernando Bolivar** chips towards the green for a hopeful birdie.
4. Sand traps may present a problem for some golfers, but Colts' **Jaime Bradley** handles the task beautifully.

Gymnastics Floored Opponents

Coach Behnke started early in the preparation of this year's gymnastics team. Well before their season came around, the enthusiasm of the team was present. The majority of the team ran each day, in preparation for the long season ahead.

Gymnastics deals with four difficult events: floor excercises, balance beam, vault, and uneven parallel bars. Each one of these events requires a tremendous amount of strenuous practice. This year's team had all of these qualities.

When the season finally came, the team showed that all the days of running, and strenuous practice had paid off. Leading the team this year were *Evelyn McFarlane, Annie McDonald, Becky McEuen, Leslie Goodfriend, Dee Dee Bell, Melissa Cottle, Lisa Goodfriend, Nancy Mejia, Alma Cabrera,* and *Brenda Hand.*

The enthusiasm of the team took them far; they had a very good season. At each meet the entire gym was full of enthusiasm from the team and from the spectators.

Team Work Led to Victory

This year's team was very large. Last year the team was very small and many of the athletes had to run two or more events. This made it very difficult for the team, but this year the group was large and there were plenty of athletes to cover both the field events and running events. In each field event and running event there were at least two good athletes, with plenty of others to back them up.

In league competition the team was strong. The major reason for this was that the team was rounded. In competition, if one area of the team faced tough opposition, they could always depend on their fellow teammates to help them out. This is what helped the team tremendously throughout the season.

This year's staff of coaches was one of the best! The six coaches worked the squad out each day. Practice for the team depended on what event they were entering. But for everybody it was long and strenuous, no matter what event they took part in.

1. Varsity, Left to Right, Front Row: **Morning, Inzuna, Chacon, Anderson, Hynson, F. Sanders,** and **Sibrel.** Second Row: **B. Too Hot to Trot

The girls' team was supported by many returning experienced girls. Besides these girls were many new talented girls. Both the girls' team and the boys' team are coached by the same six coaches: **Head Coach Nelson, Coach Malcolm, Coach Author, Coach Youngblood, Coach Reading**, and **Coach Alexander**, who worked together throughout the season and made this year's team one of the best.

Before the season began, the coaches had time trials to see which girls were going to be in what events. Many of the girls showed qualities that enabled them to do various events. Like the boys' squad, they also had a rounded team with plenty of potential.

The team practiced hard each day, getting ready for the seven league meets, and one non-league meet. The practice paid off,; the team did very well. During the season the team faced a few tough opponents, but the majority of the competition was beatable. This years' coaches can be proud of their team.

1. Using their speed, **April Gonsoulin**, and **Raenell Taylor** start to pull away from their three San Diego opponents.
2. **Shawn Lawson** hurdles herself forward for a very long jump.
3. **Jean Ryan** throws the discus, while teammate **Jean Fuli** awaits her turn.

Colts Sank Opponents

If you had ever been out and watched the boys' swim team practice, there would have been no question in your mind as to the quality of the team; they are just great! **Coach Dick Draz** really made the workouts tough! Only the truly dedicated stuck with it.

Top contenders this year were **Mike Hird**, swimming the Individual Medley and 100yd. Breaststroke; **Richard Kiy** in both the 500yd. Freestyle and Butterfly events; **Chris Hintz** in the 200yd. Individual Medley, Butterfly, and 100yd. Backstroke; **Robert Neisley** in the 100 and 200yd. Freestyle and 400yd. Relay Freestyle, and **Mike Harris** in the 100yd. Butterfly, 200yd. Medley, and the 400yd. Relay.

At the opening of the season, the Colt's had managed to shut out La Jolla quite easily. La Jolla was said to have been our toughest competition in Western League. The real challenge will be at C.I.F. meets, when the Colts go up against Patrick Henry and Monte Vista. Congratulations to the Crawford swim team.

Shoot for Two

Under the leadership of **Coach Sams, Coach Wayman,** and **Coach King,** this year's varsity and J.V. girls' basketball teams managed to do well. Once the season came around, the coaches worked close together to select the girls with the best skills and potential. The coaches had them working out every day for two and a half hours of strenuous practice. Like the boys' squad, they were given time to work on their own and as a team. The coaches taught them many different plays. Each day at practice the entire team would run laps around the court, practice foul shots, layups, and defensive drills.

This year's returning varsity players were **Racheal Brown, Jennifer Chapin, Sue Farmer, Christina Nuño,** and **Trisanne Rosenberg.** Many of the returning players appeared to have good potential and should lead the team to victory again next year. The coaching staff was especially pleased with the dedication, desire and hard work of this year's J.V. team.

Take Me Out to the Ball Game

The hard work paid off when outstanding wins led the Crawford Baseball Team into the open of the season. The varsity team was hoping for possible contention in C.I.F. However, with only six returning lettermen, they knew it would take great effort. Fortunately with recruits from the previous year's J.V. team such as **John Bulcao**, **Mark Leimbach**, and **Bob Tomich**, things really began to take shape. Practice sessions consisted of routine items, like batting, throwing, fielding, and running skills. **Coach Jerry Toose** had a little help this season from **Randy Bernstein**, former Colt graduate.

The J.V. team under the direction of **Coach Eddie Castro** also quickly jelled. Strong individual efforts were made by **Keith Jones**, **Leo Williams**, and **Richard Davis.**

From the looks of things thus far, there is a bright future for the Colt's baseball team.

Hooray for the Red, White and Blue!

Vicki,

To a girl a girl that I could never
forget because of all the stupit things
that we have done together like: getting
my Van stuck in the mud at 4:00 in
the morning and having to walk a few-
miles to the phone to call my girl-
friend that thinkes I am a sleep at home.
or getting busted for indecent exposure in
in my girlfriends car. or spending the night
at my house with my mom up stairs and you
not having a ride home. or me spedding the
night at your house and having dad come in
and me haveing to hide in the closet. Well any-
how I hope theirs no hard feelings between [illegible] oops
us because I did hate you but I was thinking

Administration

The 70's produced one of the largest waves of nostalgia in recent history. With live radio programming and the return of saddle shoes and leather jackets, it seemed as though everyone was looking to the "good 'ole days".

Now that we are entering a new decade, the trend seems to be futuristic. Test-tube babies, teaching machines, and the demand for economy cars will be the pace setters for the 80's.

The teachers at Crawford High School have always been aware of the past as a source of experience. They are also congnizant of the future, since their students are the future.

It's this working combination of tradition plus progression that gives the Will C. Crawford High School's faculty its outstanding reputation.

That
was a
trip! Chris
is fine though
you should of gone
for it! What about Greg?
He's casual! And we've become
pretty close! The summer should
be great! Vicki, we're gonna have to
make this summer the best! Parties,
concerts. (B+52's) the mountains, the desert,
and the moon. FOR shore! No, but really, this
summer's gonna be the radicalist. We gotta find
some fine guys! The finest! (from the valley or
La Jolla) And DRUGS! (shrooms) We should
take a vacation! We deserve it, we worked so
hard this year! (Ha Ha) maybe go to Mexico with
Tsuki or up the coast. Don't forget the fair!
That's gonna be great! We should take some
cuties! FOR shore! Well I written about all
I can and used up a few pages
(since you didn't save me a page)
but I just like to say
something
else! (continued on page 134)

CRUISIN' — The magical mystery tour began with the search for Nirvana. Terror had struck Quadville with the insincerities of a superficial life. It was up to Captain Disco Draz and the Courageous C-Horse Cowboys to save the mobocracy and make the Empire safe for water polo. Thus, our heroes climbed into their dusty brown starship to travel here and there with many amazing feats and good times for all. With things clear on the Aquatics front, it was now up to the Sand Castle Lady to inspire all the mouths that had nothing to say. Incredible new heights of vocal achievements were attained under the leadership of the ski-bum in her cool car. Foreign dialects were encountered along the path to Utopia yet the glowing Mrs. D and Mrs. M were able to translate the mess. The situation appeared well in hand when it was found that the dreaded Cousin Ralph had set up a new headquarters in a certain FIA Canyon. A posse of fantastic individuals had to be found to squash Cousin Ralph. Such a group existed with the fiendish talent that was necessary to produce a triumph. The party consisted of Stumpy, Disco Greencard, A. Wipe, Jolly Green Giant and yours truly, Bonzo. Although several problems were incurred such as exploding radiators and fast rabbits, Cousin Ralph was squashed. Latter battles would be fought, such as the minor incidents at the jetty where the Twin Fin Sinner, the Mushboard Monger, and the Suishine Kid would usually triumph, yet none would match the intensity of the canyon. The Magical mystery tour was filled with many people that will exist forever in the past, present, and future consciousness of the tour guide. Chico — let's go soifin'; Scott — the good times were great; Eric — swooping at higher institutions of education; Chris — don't drift too far; Heather — My first date, you're great; Jimmy — you stud!; Dana — intellectual resident a Palo Alto; Fred — move the previous question; Darryl — the smartest guy I know. Nordy — cruisin in the Ghia, Evelyn — All around success now and forever; The Polo Team — You guys are the greatest; Senior Class Cabinet — The best Sr. Class ever; Randy, Mark, Sharron, and the rest of the I.S. er's — an inspriation. Wendi S. — An untapped energy resource; Wendy T. — Wherever it is, you'll find success; and Katy — many good times were spent discussing all sorts of politics over a good pitcher of coke-sprite? What was on Saturday Night Live? Thanks for the memories Everyone. When it's right, you'll knw it. When it's good, you'll feel it. Do unto others as ya would have them do unto you. With much Respect, Admiration, Sincerity, and Appreciation, Mike Hird.

Another year can be added to the history of Crawford High School. Throughout the nine months the Colts worked hard in academics, and participated in many activities that the campus had to offer.

With the Class of 1980 preparing themselves for lifetime goals, a sense of excitement and apprehension was close at hand. Meanwhile, the underclass worked toward educational interests which will be valuable for coming years

Western League play in athletic proved to be optimistic as the Colt united together to demonstrate thei support as well as their enthusiasm. No even the rainy winter could dampen th spirit of Crawford High School.

For all 1980 has been a year of growt and change that has helped each an every Colt start the new decade off wit optimism for the future.

It has been great
having you in English
class. Have a great summer
Your Friend,
Kevin Specht

Vicki!
Heck ya!
This summer
got for sure. We really
got to be closer friends
this year and its great
because we've had some
really wild times. and I mean
WILD!!! Remember the times at State?
That was pretty radical. The last time
I ended up at State sleeping on the grass
with all the bugs! Well we'll have to rip up
the world this summer. Remember we're sweet 16.
Ha! ha! 16 maybe but I seriously doubt sweet. The
only advice I have for you is to keep on partying. But
be careful and don't get in anymore trouble. Take care and
keep looking for all the babes. McMaster was a trip, especially
since we were wasted half the year! Don't forget to party during
lunch in your Jr year. Later - keep in touch.

Love
Dorice

Vicki-
Only Gloria
knows why I'm
writing here... you
have become a different
person but I still think
you are very sweet & pretty.
God, if I was 1/2 as pretty as you,
I'd be happy enough — so knock all
the guys out at the beach! I hope I
see you down there at PB, or Van Halen or
whatever. You have been a special part of these
last few years & I'm really glad we're friends.
Keep on partying but don't fry your brains out totally.
I'd like you to be there during Jr. year somewhat...

Love
Always,
Jannie

Vicki,
No more school! Have a
totally bitchin summer and
when I'm at my dad's I'll call
you, or you call me! See ya
later - Love, Susie

Vicky, I'm really
Glad we got to know each
other and have Shared a few
Radical experiences. I think
we both agree school sucks,
But It's just one of those things
we have to Hack, Right

Stay sort of out of trouble
this Summe- ok? I know
we'll see each other and have
a rad time. Love life in years
to come, ok? Love

Gary O'Brien

Vicci-
you have
really become
a totally different
person in these
past few years!
and its for the
better- believe me!
I'll probably see
you at the beach
this summer so
I'll see you there!
Party as much as
possible and have
a great summer!
Have a good
one!
